No Responses	0	0.0%
<b>Total</b>	<b>118</b>	<b>100%</b>

Disclaimer: Please keep in mind that this survey is for information only and was not conducted in a scientific fashion.

While NADRA's survey service uses state-of-the-art technology to protect the anonymity of the survey participant, it does not prohibit users from submitting more than one response. Thus, we make no guarantees about the accuracy of the results, and you should not rely solely on the survey to base business decisions; these are just a snapshot of personal preferences of the users who participated.

All information provided is for informational purposes only. Neither the members of the Board, nor the staff of the Association, accept liability for any inaccuracies or errors in the service or liability for any loss, damage, or other problem, including without limitation, indirect or consequential loss or damage arising from or in connection with use of NADRA's survey.

Survey Methodology: The survey was conducted by NADRA. The survey was sent to NADRA contacts via the news brief and direct email. 118 responses were recorded. The survey was conducted during the period 2/13/17 through midnight March 5, 2017. The web-based survey software used is sold by Constant Contact, a company that primarily markets e-mail services.
