

WHAT'S UNDER YOUR DECK?

LOOK FOR THESE WARNING SIGNS:

1. Missing or Mis-installed Ledger Bolts/Screws and Flashing (the leading cause of deck collapse)
2. Loose or Wobbly Railings, Balusters and Stairs
3. Missing Metal Connectors, such as Joist Hangers and Post Bases
4. Untreated, Rotted Wood
5. Rusty or Loose Fasteners

DECK SAFETY BEGINS IN YOUR SHOWROOM

Deck safety is everyone's business. According to the North American Deck & Railing Association (NADRA), there are millions of unsafe decks in the U.S.

Deck failures can occur for a variety of reasons, including old age, poor maintenance, improper building methods or exceeding load capacity.

You can make a difference.

1. Display the enclosed poster in your showroom.
2. Go to www.NADRA.org
3. Click on "Deck Safety"
4. Download and print the 10-Point Deck Inspection Checklist
5. Distribute this list to all the builders and industry pros you know
